

GBC Fusion Plus 6000L A3 Laminator

Professional quality, accelerated productivity.

4402134

Product Description

Professional quality, accelerated productivity. Fast and easy to use, the Fusion Plus 6000L is ideal for frequent use in the busy office or education environment. Intelligent input sensors detect the thickness of the pouch and contents and automatically adjust the throughput speed. Laminate using light-weight 2x75 up to heavy weight 2x250 micron thermal pouches. The result is a perfectly clear, flat finish.

Features

- Professional quality, accelerated productivity
- High speed warm up of 1 minute
- Laminates an A4 sheet in less than 15 seconds
- Auto setting for easy lamination
- Intelligent input sensors automatically adjust speed for a great quality finish
- Simple one touch user interface
- Intelligent auto reverse prevents pouch misfeeds or jams

Other information

- **Power Requirements** 1450W
