P-touch LABELS
**TESTED**
TO THE EXTREME ✓

Introduction

Labels are powerful. So as one of the worldwide leaders in labelling machines and printers, we're proud to have one of the broadest product line-ups around – from handheld portables to desktop and industrial models.

Whether it's for the office, industry or around the home, Brother labels offer unexpected versatility and are one of the quickest and easiest ways to organise your documents, equipment, workspaces and more.

Contents

P-touch 2470

Bring versatility and efficiency to your office or shop. The stylish and easy to use P-touch 2470 gives you all that and more. Print labels on-demand wherever and whenever required - including barcodes, pricing labels and sales messages quickly and simply.

- Large easy-to-read backlit LCD display
- Various type styles and symbols available
- Includes 24 mm black on white label cassette (4 m)
- Prints 6, 9, 12, 18 and 24 mm labels

P-touch 2430PC

The P-touch 2430PC is a sleek and stylish desktop labelling machine which requires no software installation. Plug in, click on the icon and you are ready to print.
3 simple steps to perfect labels.

- Large 18 mm print height for easy-to-read labels
- Built-in auto cutter for printing many labels at once
- Includes 24mm black on white tape (8 m), USB cable, AC adaptor and label design software on CD-ROM
- Prints 3.5, 6, 9, 12, 18 and 24 mm labels

P-touch 2030VP

The compact size and lightweight design of the P-touch 2030VP make it ideal to share with your work colleagues. The many fonts, styles and frames ensure clear labelling of CD/DVD cases, files and shelves. The new Label Collection feature makes common labelling tasks quick and easy!

- Graphic display with label preview
- Large variety of fonts, type styles, frames and symbols
- Includes 18 mm black on white label cassette (4 m), AC adapter and handy carry case.
- Prints 3.5, 6, 9, 12 and 18 mm labels

P-touch 2730VP

The feature packed P-touch 2730VP prints up to 7 lines of text, and includes a range of built-in fonts, frames and symbols. With the option of PC connectivity you'll be able to print barcodes, graphics, logos and icons. With many easy-to-use features and the Label Collection feature, creating labels, whenever and wherever required, has never been easier!

- PC connection - design and print labels from your PC
- Easy-to-read backlit graphic LCD display
- Includes 24 mm black on white label cassette (4 m), AC adapter and handy carry case.
- Prints 3.5, 6, 9, 12, 18 and 24 mm labels

P-touch 3600

With a print speed of 20 mm per second and a print resolution of 360dpi, the P-touch 3600 produces excellent quality professional labels, helping you achieve a better organised working environment. The large semi-graphical LCD display allows you to preview up to 20 characters on 3 lines.

- Multi-function cutter – capable of printing a strip of labels that is half-cut and ready to peel easily
- Rotate & print function for a continuous "wrap around" label
- Includes 24 mm black on white tape (8 m), USB cable, AC adaptor and label design software on CD-ROM
- Prints 6, 9, 12, 18, 24 and 36 mm labels

QL-570

Designed to fit neatly onto your desk without occupying much space, the QL-570 has high print resolution, making it ideal for printing quality logos, images and text onto your labels, quickly and easily.

- High quality with 300 x 600dpi resolution printing
- Professional – built-in automatic label cutter leaves a clean cut edge
- Prints continuous length rolls or pre sized die cut labels
- Includes Standard address labels (100 labels), 62 mm continuous length tape (8 m), USB cable and label design software on CD-ROM
- Prints 12 mm - 62 mm wide labels

QL-700

The Brother QL-700 label printer offers an easy way to print professional looking labels for a wide range of uses throughout the workplace. Windows users simply need to connect the USB cable, run the software from the pop-up message, then design and print your label with "P-touch Editor Lite" label design software inside the machine.

- Built-in label design software, no software or drivers need to be installed
- Quick and effective – prints up to 93 labels per minute
- Professional – built-in automatic label cutter leaves a clean cut edge
- Prints continuous length rolls or pre sized cut labels
- Includes Standard address labels (100 labels), 62 mm continuous length tape (8 m), USB cable and label design software on CD-ROM
- Prints 12 mm – 62 mm wide labels

QL-710W

Brother QL-710W desktop labelling device has built in wireless networking so the whole office can benefit from its professionally printed customised labels.

- Save time up to 93 labels per minute print speed
- Durable automatic cutter
- Share amongst users with wireless connectivity
- Versatile – Choose from a range of pre-sized and continuous labels for different applications
- Print address labels directly from Microsoft Word, Excel and Outlook
- Built-in P-touch Editor Lite LAN software allowing quick and easy use over the network
- Free iPrint & Label application for use with Apple and Android, tablets and mobile devices

QL-720NW

Brother QL-720NW offers IT managers a professional, networked label printing solution for a busy office.

Same as QL-710W plus:
