

# EcoTank ET-M1100

## DATASHEET / BROCHURE

Reduce your printing costs with this reliable, time-saving and energy-efficient EcoTank. Use the 150-sheet paper tray and connect via USB.

This durable, fast and energy-efficient EcoTank with refillable ink tank can help you reduce your printing costs. A cost-efficient solution, print up to 5,000 pages with the included black ink<sup>1</sup>. You will get prints quickly as there's no warm up time and print speeds of 15ppm<sup>2</sup>. The ET-M1100 connects to computers via USB and has a 150-sheet paper tray.

### Reduce your printing costs

The economical EcoTank is fundamentally different to laser printers. It features a large refillable ink tank that you fill with the included ink bottles instead of toner. From the start you have enough ink to print thousands of pages, slashing costs and saving time as you're not frequently changing toner.

### Low cost replacements

While refills are likely to be few and far between, you'll be able to save over 90% on the cost per page with replacement ink bottles<sup>3</sup>. Its front-facing tank is engineered for mess-free refills and the bottles have an airflow system so squeezing is not necessary during the filling process. Thanks to the front ink level display, it's obvious when it's finally due for a refill.

### Reliable

Giving peace of mind, every EcoTank mono printer comes with a one-year/100,000-page warranty.

### Save time

Don't waste time changing supplies - with an ink tank system, you can essentially fill it up and forget about it. Printing is fast with no warm-up time and print speeds of 15ppm<sup>2</sup>.

### Save energy

Cut energy usage and reduce overheads with an EcoTank mono printer. It can save up to 95%<sup>4</sup> in power consumption compared to mono laser printers.

## KEY FEATURES

- **Reduce your printing costs**  
Economical ink tank printer with lots of ink included
- **Reliable and durable**  
One-year or 100,000-page warranty
- **Reduce energy usage**  
Save up to 95% in power consumption<sup>4</sup>
- **Fill up and forget**  
Print thousands of pages with the included ink
- **Fast printing**  
Get prints quickly with 15ppm print speeds<sup>2</sup> and no warm up time

## PRODUCT SPECIFICATIONS

### TECHNOLOGY

Printing Method	Epson Micro Piezo™ print head
Nozzle Configuration	180 Nozzles black
Minimum Droplet Size	3 pl
Ink Technology	Pigment ink
Printing Resolution	1,440 x 720 dpi
Application	Home, Home Office, Office Desktop
All-in-One Functions	Print

### PRINT

Printing Speed ISO/IEC 24734	15 pages/min Monochrome
Maximum Printing Speed	32 pages/min Monochrome (plain paper)
First Page Out from Ready	Monochrome 8 Seconds
Max Duty cycle	15,000 pages per month
	The maximum number of printed pages per month based on the performance capabilities of the printer, including ISO rated print speeds and paper handling capabilities.

Colours Black

For detailed information on printing speeds please visit <http://www.epson.eu/testing>.

### PAPER / MEDIA HANDLING

Number of paper trays	1
Paper Formats	Legal, A4, A5, A6, B5, B6, No. 10 (Envelope), Letter, C6 (Envelope), DL (Envelope)
Duplex	No
Output Tray Capacity	30 Sheets
Paper Tray Capacity	150 Sheets Standard, 150 Photo Sheets
Compatible Paper Weight	64 g/m <sup>2</sup> - 90 g/m <sup>2</sup>

### GENERAL

Energy Use	13 W (standalone copying, ISO/IEC 24712 pattern), 0.4 W (sleep mode), 2.4 W (Ready), 0.2 W (Power off)
Supply Voltage	AC 100 V - 240 V
Product dimensions	375 x 267 x 161 mm (Width x Depth x Height)
Product weight	3.5 kg
Compatible Operating Systems	Windows 10, Windows 7, Windows 8, Windows 8.1, Windows 8.1 x64 Edition, Windows Server 2003 R2 x64, Windows Server 2008 (32/64bit), Windows Server 2008 R2, Windows Server 2012 (64bit), Windows Server 2012 R2, Windows Server 2016, Windows Vista x64, Windows XP SP3, Windows XP Professional x64 Edition SP2
Interfaces	USB
Power Supply	100V, 110V, 220V, 240V
Colour	White

### OTHER FEATURES

Emulations	ESC/P, ESC/P-R
------------	----------------

### OTHER

Warranty	12 months Carry in, 100,000 pages Optional warranty extension available
----------	--

## LOGISTICS INFORMATION

SKU	C11CG95402BY
EAN code	8715946655369
Country of Origin	Philippines
Layer	5 Units
Layer Block	6 Units

## EcoTank ET-M1100

### WHAT'S IN THE BOX

- Warranty document
- Setup guide
- CD Manual
- Main unit
- Inks

### INK CARTRIDGE COMPATIBILITY

### INK BOTTLE YIELD DATA

Included

5,000 pages\*

### Replacement

\* Quoted yields are extrapolated based on Epson original methodology from the print simulation of Test Patterns provided in ISO/IEC 19752. 11,000 pages yield based on two ink bottles included with this printer. 6,000 pages yield based on EcoTank ET-MX1XX Series Black Bottle XL ink bottle sold separately. Quoted yields are NOT based on ISO/IEC 24711. Quoted yields may vary depending on the images that you are printing, the paper type that you are using, the frequency of your prints and environmental conditions such as temperature.

1. Quoted yields are extrapolated based on Epson original methodology from the print simulation of Test patterns provided in ISO/IEC 19752. Quote yields are NOT based on ISO/IEC 24711. Quote yields may vary depending on the images you are printing, the paper type that you are using, the frequency of your prints and environmental conditions such as temperature. During the initial printer setup, a certain amount of ink is used to fill the print head's nozzles, therefore the yield of the initial bundled set can be lower.
2. Determined in accordance with ISO/IEC 24734 showing the average of ESAT from the Office Category Test for default simplex. For more information visit [www.epson.eu/testing](http://www.epson.eu/testing)
3. Taking the RRP of the mono EcoTank replacement ink bottles and comparing printing costs calculated on the largest available yield toner divided by the average selling price in the Western European market listed in IDC EMEA Semiannual Consumables Tracker 2018H1 for the 12 months to June 2018 (including VAT at 21%). Toner yields as communicated by the manufacturers websites.
4. Comparison of the power consumption while printing of the Epson ET-M1120, ET-M2170 and ET-M3170 models against the average top selling 75% of A4 monochrome laser printers (below 20ppm class) listed in IDC Worldwide Quarterly Hardcopy Peripherals Tracker 2018Q3 data for the 12 months ending September 2018. Power consumption values as communicated by the manufacturers websites.
