

GBC Fusion Plus 7000L A3 Laminator

Professional quality, accelerated productivity.

4402133

Product Description

Professional quality, accelerated productivity.

Super-fast and easy to use, ideal for heavy use in the busy office or education environment. Next generation intelligent input sensor technology gauge the precise thickness of the pouch and contents and automatically adjusts throughput speed, with manual over-ride for non-standard media. Laminate using light-weight 2x75 up to heavy weight 2x250 micron thermal pouches . The result is a flawless finish.

Features

- Professional quality, accelerated productivity
- High speed warm up of 1 minute
- Laminates an A4 sheet in less than 13 seconds
- Auto setting for easy lamination
- Next generation Intelligent input sensors automatically adjust speed for a flawless finish
- Manual over-ride for non-standard media
- Intelligent auto reverse prevents pouch misfeeds or jams
- 6-roller technology for ultra fast high quality lamination

Other information

- **Power Requirements** 1450W
