Wireless A4 multifunction inkjet printer

The DCP-J1140DW is a stylish, compact device that's perfect for home use. Offering print, copy and scan functionality it has a feature for everyone in your household to enjoy. Print everything from home work to colour photographs in vivid colour from anywhere at home with wireless or mobile connectivity and navigate the device easily via the 6.8cm LCD touchscreen.

DCP-J1140DW

Key features:

- **Wireless connectivity**
- **Mobile compatible – via Brother Mobile Connect app**
- **Automatic 2-sided printing**
- **Dust-free enclosed paper tray, holding up to 150 sheets**
- **Print directly onto photograph paper**
- **Print speeds of up to 17ipm mono and 16.5ipm colour**
- **6.8cm LCD touchscreen**
- **In-box inks – 200 pages CMYK**

Smart, stylish, compact

This feature-rich device offers so much for the personal user. A wide range of connectivity options, including mobile compatibility, all housed in this stylish and compact shell. The compact, lightweight design of the DCP-J1140DW will fit seamlessly into any space around the house.

Stay connected

You don't need to be near the machine to complete tasks. No matter where you are in the house, you can stay connected to your DCP-J1140DW through wireless connectivity. Plus, by downloading the Brother Mobile Connect app you can carry out an array of tasks such as print documents, check ink levels, revisit previously scanned documents and so much more.

User friendly, for all

The cleverly compact DCP-J1140DW does all the work. From out of the box set up to day-to-day navigation via the 6.8cm LCD touchscreen and replenishment of supplies through new app, Brother Mobile Connect, there will be minimal interruption to your day when it comes to print, copy or scan task completion.
