Smart, stylish, compact

This feature-rich device offers so much for the personal user. A wide range of connectivity options, including mobile compatibility, all housed in this stylish and compact shell. The compact, lightweight design of the MFC-J1010DW will fit seamlessly into any space around the house.

Stay connected

You don't need to be near the machine to complete tasks. No matter where you are in the house, you can stay connected to your MFC-J1010DW through wireless connectivity. Plus, by downloading the Brother Mobile Connect app you can carry out an array of tasks such as print documents, check ink levels, revisit previously scanned documents and so much more.

User friendly, for all

The MFC-J1010DW does all the work. From out of the box set up, to day to day navigation via the 4.5cm colour LCD display and replenishment of supplies through the new app, Brother Mobile Connect, there will be minimal interruption to your day when it comes to print, copy or scan task completion.

Multitasking made easy

With the cleverly compact MFC-J1010DW, gone are the days of manually feeding multipage documents into the scanner. Designed to help your family with daily tasks, this device comes with a 20-page automatic document feeder; just let the machine do its thing while you complete other tasks around the house. Plus, you can help save time, paper and the environment, with the automatic double-sided print feature.
